Tel: 01493 854555 Fax 01493 859808
Electric Motor & Generator Rewinds and Repairs

Yarmouth Rewinds Limited are one of the largest repair facilities in Norfolk, specialising in Hazardous Area Motor and Generator repairs. We are an IECEx Certified Service Facility and a Baseefa Licensed Repairer. The Company has developed to service the exacting requirements of the North Sea Oil and Gas Industry.

We are currently looking to recruit the following:

Armature Winder/Electrical Fitter

The successful applicant would have experience in working with rotating equipment. Applicant must have a good knowledge in the repair and maintenance of all types of rotating machines, gear boxes, electric motors, pumps and related equipment.

Attainments

- Recognised electrical and mechanical apprenticeship preferred.
- Experience of stripping and rewinding of AC/DC motors is essential and a proven and extensive experience in a rewinding workshop as an armature winder.
- Experience working with Ex equipment is preferred but not essential as training can be given.
- A full driving licence

Remuneration & Benefits

- Competitive hourly rate.
- 21 days Annual Holiday and Statutory Holidays.
- The opportunity to work overtime is available/required to meet our Customers needs.

If you would like to apply for this vacancy, please email your CV and a covering letter to:
